The main cause of nervousness is indigestion, and that is caused by weakness of the stomach. No one can have sound nerves and good health without using Hop Bitters to strengthen the stomach, purify the blood, and to keep the liver and kidneys active, to carry off all the poisonous and waste matter of the system. Decay of the Teeth

Arises from various causes, but principally it may be attributed to early neglect or the indiscriminate use of tooth powders and pastes, which give a momentary whiteness to the teeth while they corrode the enamel. The timely use of that delicate aromatic tooth-wash, FRAGRANT SOZODONT will speedily arrest the progress of decay, harden the gums, and impart a delightful fragrance to the breath.

An Unblemished Complexion
Is, like a sweet voice, "an excellent thing in woman." Where it does not exist naturally, it may be imparted by artificial means. "GLENN'S SULPHUR SOAP" removes all the unpleasant effects of dust and perspiration, obliterating blotches, tan and all other discolorations of the skin. More than this, it gives a healthy tint to the cheeks, and a lustrous whiteness and contentment to the hair.
